# World Book Day 4 March 2021

As a charity, World Book Day is here to change lives through a love of books and shared reading, and bring books to the children who need them most. World Book Day is a brilliant opportunity for everyone to celebrate the joy of reading. The lockdown means doing things differently, so we wanted to explain what we will be up to at St Monica Primary School for this years World Book. Reading and sharing stories is the perfect lockdown activity for everyone to enjoy!

Year teams will be developing and sharing opportunities to celebrate books and reading for their classes; there will be lots of opportunities for learning and activities to get involved in, such as games, quizzes and chances to recommend favourite book titles and authors. These will be shared on Google Classroom or Tapestry.

There will be book readings by Mr. Waghorn and Mr. Lee uploaded to Google classroom and Tapestry.

Our pupils at home and within school bubbles are invited to either dress up as a well-loved book character or, alternatively, get involved with the "snuggle up with a book" theme of snuggly blanket, pyjamas and slippers on the 4 March! Of course, we would love for you to send in some photos, so please send these across to [info@stmonicaprimery.co.uk](mailto:info@stmonicaprimery.co.uk).

The World Book Day website will be streaming live events from 10.30am where children will get to listen to many authors talking on a range of topics, from 'Books that make you LOL!', to 'Words and Pictures: Bringing Books to Life' and 'Books and the Real World'. You can visit the World Book Day website for more information on these live events, and for more information about the day in general: <https://www.worldbookday.com/>

Teachers will signpost children to any other live online events through Google Classroom or Tapestry.

We would love to challenge the children to put their creative skills to the test by using household items to make a book character or re-create a scene from a book. Teachers will share some suggestions on Google classroom or Tapestry, but in the meantime, don't throw away any old socks or bits of Lego that could prove useful!

We hope you can join us in celebrating our love for reading on World Book Day 2021.

St Monica Primary School

Celebrate reading for pleasure in your school – all year round!
