

# Whole School Science Progression Wall

## Living Things

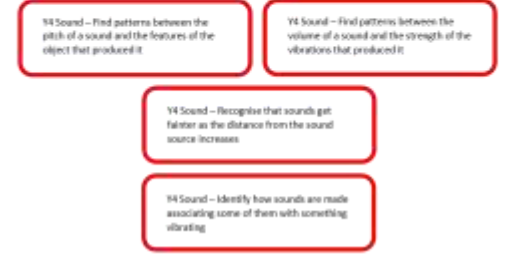

## EYES

**Early Learning Goals -**  
Explore the natural world around them, making observations and drawing pictures of animals and plants.  
Recognize some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.  
Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

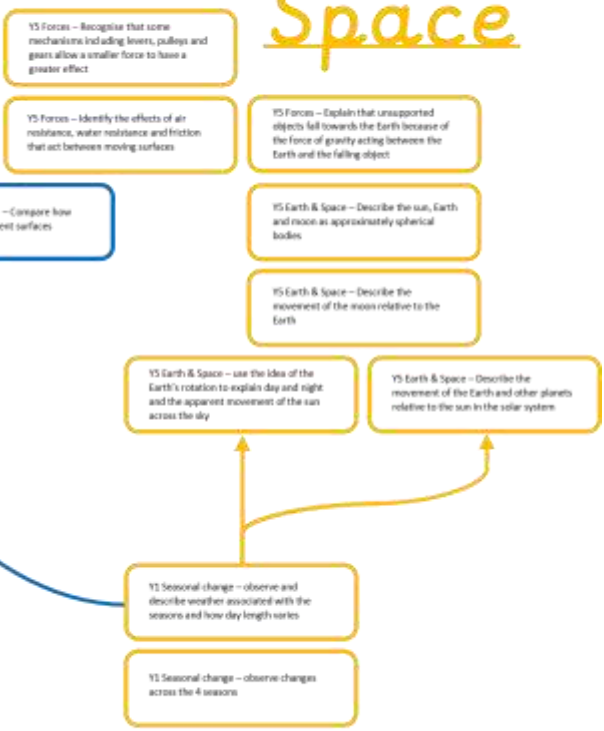

## Light

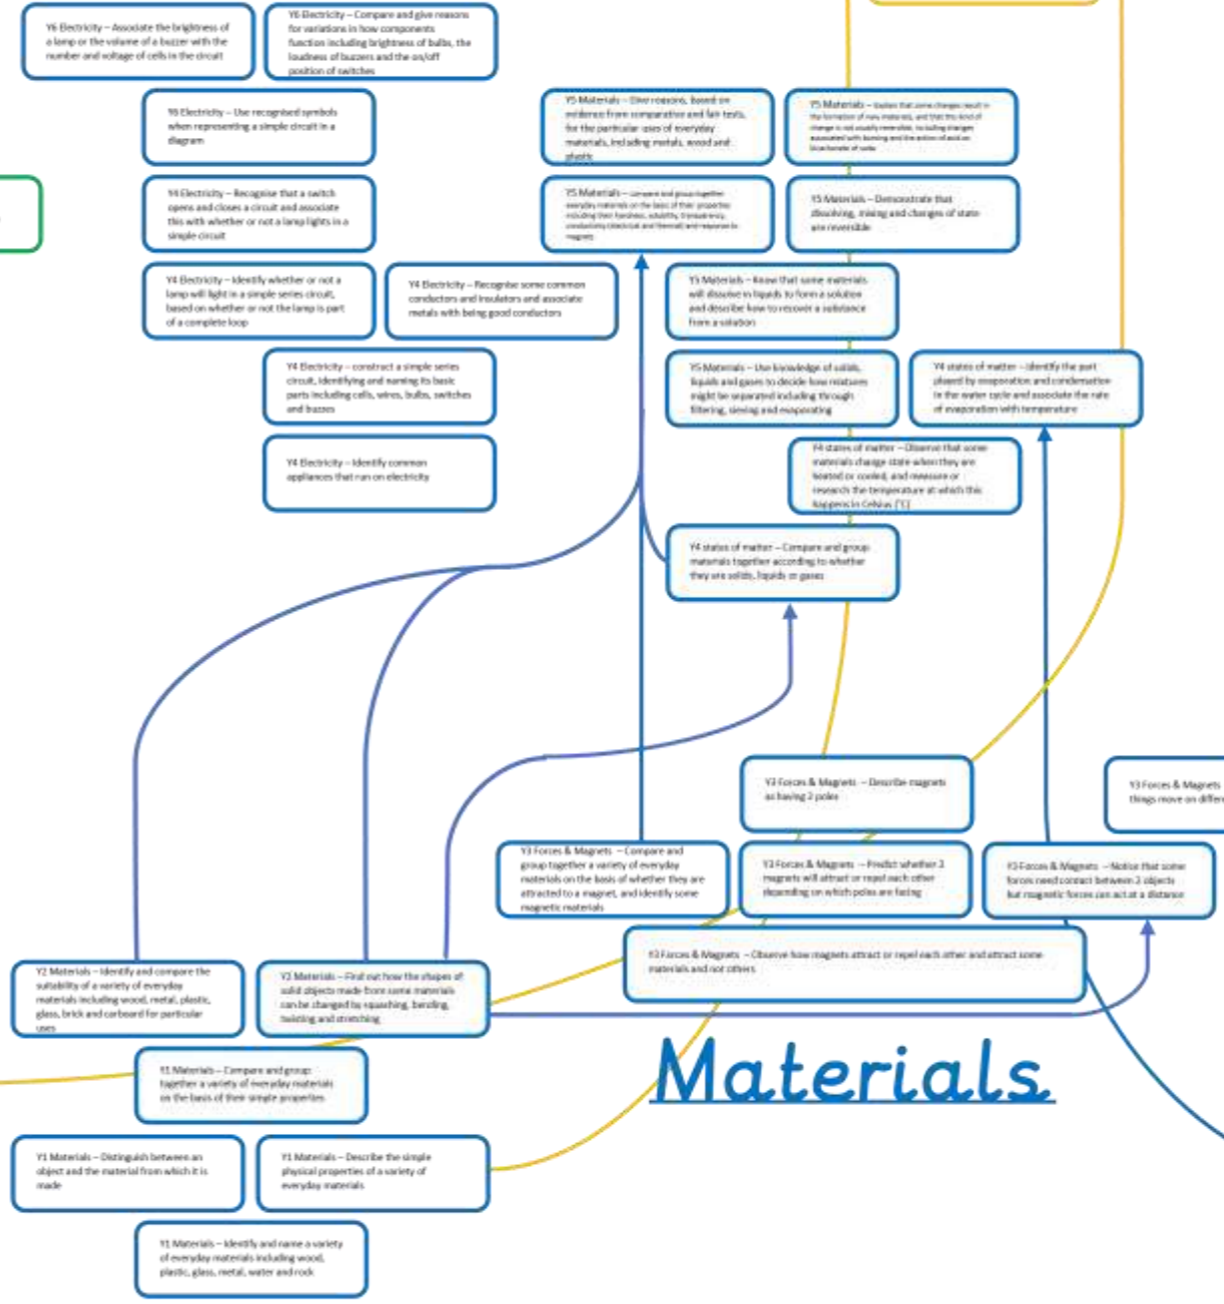

## Sound

## Earth & Space

## Materials

**Development matters -**  
Describe what they see, hear and feel whilst outside.  
Recognize some environments that are different to the one in which they live.  
Understand the effect of changing seasons on the natural world around them.
