

Tuesday 7th September 2021

Opening of Endeavour Library and Author Visit

This Friday, 10th September, we are welcoming author Ali Sparkes to St Monica Primary School.

Ali Sparkes currently has 28 children's fiction titles published by Oxford University Press including her Shapeshifter series, her Blue Peter Award-winning Novel Frozen in Time, and her heart-stopping new adventure series about a group of teenagers with special powers - Unleashed.

Ali will be delivering two sessions, one to our KS1 pupils and one for our KS2 pupils. We will then host a small library opening for our new library on the Endeavour site. Ali will then be available from 2.30pm to sign books for our KS2 pupils.

We will have a limited amount of Ali's books available for your children to purchase from school on Friday but you can also purchase Ali Sparkes books via Amazon. If your child has an Ali Sparkes book at home, they are more than welcome to bring this to school to get Ali to sign this.

If your KS2 child wishes to purchase a book on the day, please can you pop their money in a named envelope and ask them to give this to their teacher at the beginning of the day so that it can be kept safe until they have the opportunity to buy a book.

We love to read at St Monica's and are so excited to be able to finally open our new library and have the opportunity to welcome a wonderful author to our school.

Kind regards

Mrs. Marshall and Mr. Waghorn

St Monica Primary School, Bay Road, Southampton, SO19 8EZ
